

Now Hiring.

Outside Sales Account Manager (OSAM) in our Seattle, WA location.

If you are a highly motivated, outgoing, customer-focused individual then come work for us in the exciting world of industrial automation & controls. Rust Automation & Controls has been in business, offering industrial equipment and solutions, since 1976.

Headquartered in West Jordan, UT with dozens of satellite offices, Rust Automation & Controls covers more than 2 million square miles in the Western half of the United States of America including Alaska and Hawaii.

Currently, we have an opening for an Outside Sales Account Manager (OSAM) located in Seattle, WA. Our Outside Sales Account Manager (OSAM) is responsible for the growth of existing accounts and establishing new accounts in the territory.

It is desirable for applicants to have an engineering degree or equivalent experience, a basic understanding of industrial instrumentation and/or valving applications, and have familiarity with standard computer software applications (Word processing, spreadsheet, web browser, web calendar, CRM, etc.). This person must possess a strong work ethic, be highly motivated, a self-starter, willing to travel and enjoy people and learning.

Salary depending on experience and education. Full-time position includes all benefits as qualified (Health, Dental, Vision, 401K, etc.). Employment is subject to a routine background check during your initial 30 days of employment.

Please send your resume to: hr@rustco.com with the position title in the subject of the email.
